ATTACHMENT 1

Public Risk Insurance Requirement for Use of and Activities in Streets

Standard Conditions to be attached to Permits Under the By-law

Important: Public Risk Insurance

It is a condition of the permit that the permit holder shall have a public liability insurance policy with a reputable public insurance office, noting Council as an interested party, with cover of not less than ***ten million dollars (\$10,000,000.00)*** in respect of any one event to provide indemnity in respect of both injury to persons and damage to property in the usual terms and such policy to include (without limiting the generality of the foregoing) loss or damage to property not owned by the permit holder but under the physical or legal control of the permit holder and contractual liability and such other risks (if any as the Council might reasonably nominate at the time of granting of the permit). A copy of the policy or certificate of currency confirming that the policy has been paid and that it mentions the City as an interest party, shall be provided to the Council prior to the commencement of trading. The Council shall be advised directly by the Insurance Company of any changes to the Policy.

Please also note public insurance policy must be valid from July 01 to June 30 for the year in which the permit will be issued.
