STATEMENT

This policy is applied when an application is received from an Incorporated Club or Registered Charitable Organisation for the variance of waste disposal fees.

The Chief Executive Officer has delegated authority to vary waste disposal fees upon request from either an Incorporated Service Club or Registered Charitable Organisation. This Policy is not intended for use in reference to a commercial operation seeking to have waste disposal fees varied.

A written request for the variance of the waste disposal fees will be assessed on a case-by-case basis. Incorporated Service Clubs or Registered Charitable Organisations will not be granted permanent variance to waste disposal fees.

An Incorporated Service Club or Registered Charitable Organisation is deemed to be such if it is registered as a charitable/non-profit organisation and where funding for the project generating the waste has not been sought and granted, inclusive of waste disposal fees.

The maximum amount to be considered by the Chief Executive Officer for waiving or varying of waste disposal fees will be \$500 per site per annum.
