

POLICY: ENG-ES-006

Contribution to Construction – School Parking

Purpose

The purpose of this policy is to set out the guidelines for the City's contribution towards the construction of school parking facilities.

Definitions

Nil

Statement

The City will contribute towards the provision of car parking near schools based upon a maximum of one third towards the capital construction cost of any one project and subject to:-

1. The balance of funding for the capital construction cost being provided by the education department or other sources.
2. Funding requests may be made for future funding approval in the following year's budget discussions. The application will need to be lodged in March of the preceding financial year's budget.
3. The policy being limited to roads and road reserves adjacent to school sites within the City of Kalgoorlie-Boulder.
4. The City undertaking investigation, survey, design and supervision of construction.
5. The City determining project priorities through consultation with local schools and relevant authorities.
6. The project having a recognised traffic and pedestrian safety improvement benefit.
