Social Story

A social story for families to help alleviate any anxieties and help prepare for KidsFest.

I am planning to go to KidsFest at the Oasis Playing Fields.

If we drive to the event, we will park on surrounding streets and the Oasis Playing Fields.

There is lots of space to park.

After we park the car, it will only be a short walk to the Oasis Playing Fields.

There will be some activities that I can do like face painting, games, and silent disco.

Sometimes I might have to wait my turn while other children are doing the activity.

I could ride an electric go-kart around a track with some other kids.

Or I could have a go at some of the carnival games like Cheese Cricket or Hook-A-Duck.

I could play or jump on a bouncy castle.

I could pat some chickens or goats at the cuddly animal farm.

I could get a photo and say hello to K-Pop
Demon Hunters!

There are also lots of arts and crafts I could do,
like painting a plastercraft with Super Sarah.
Once I've painted the plastercraft I can take it
home with me to keep.

Food trucks might be selling food so there will be lots of smells, some I might like and some I might not like.

If I don't like the smells I can walk away and sit somewhere else.

There will be lots of music and people around so sometimes it could be noisy. There may even be roving entertainment throughout the event.

If I have headphones, I could bring them with me and put them on if it gets too noisy. If I need a break from the crowds or noise, I can visit the Sensory Zone.

If I have a problem or I can't find my friends or family, I can ask for help from the Events Team. They will be wearing pink vests.

Or I just need to look for the sign that says Lost Child Point.
