## Welcome to KidsFest 2026!

There's something truly special about seeing our community come together for a weekend that is all about kids. The laughter, the energy, the wide-eyed excitement and those proud moments when a child tries something new, makes a new friend, or simply has the time of their life - that's what KidsFest is all about.

Over the years, KidsFest has grown into one of our most loved events, and it's easy to see why. It's a festival created especially for children aged 12 and under, packed with activities that spark creativity, curiosity and plenty of fun. Whether your child is into science, art, music, sport, making things, or simply running around with their mates, there's something here for them.

This year's program is packed with stage shows, hands-on workshops and entertainment right across the weekend, so take your time and explore everything on offer. And parents, get ready for the familiar question: "Can we do that again?"

As a City, we're proud to continue delivering KidsFest as a free event for families, and we extend our thanks to our sponsors Lotterywest and Northern Star. Creating inclusive, accessible events that bring people together is something we care deeply about, and KidsFest is a perfect example of that.

To our volunteers, stallholders, performers and everyone working behind the scenes - thank you. Events like this simply wouldn't happen without the time, effort and enthusiasm you bring.

I can't wait to see the Oasis Playing Fields buzzing with families, laughter and smiling faces all weekend long. Enjoy KidsFest!

# Festival information

## What is KidsFest?

The two day event will create opportunities for children to explore, create and learn through interactive workshops and activities. They will also enjoy live shows and entertainment on the main stage. There will be something for everyone!

## Event Cost

The City of Kalgoorlie-Boulder, with the support of our sponsors, is pleased to bring this event to the Goldfields completely FREE! That's right; there is no entry fee and all activities and shows at the KidsFest are free. There will be local community groups and businesses fundraising in the food court and we ask you to support them.

## Who can come?

KidsFest is for children 0-12 years of age. All children must have an adult with them at all times in order to participate in the festival activities. Children over 12 can attend with their families, however will not be eligible to participate in all event activities.

## Venue and Facilities

This year KidsFest has returned to its original location at the Oasis Playing Fields.

**Parking** - is available at the Goldfields Oasis Club Rooms and off Johnston St. (disabled bays are located here - please refer to the event map).

**Toilets** - are located across four locations on the playing fields, with additional amenities including accessible toilets available inside the Goldfields Oasis and the Oasis Club Rooms.

**Rest areas** - The playing fields offer plenty of grass, and we encourage you to bring chairs and picnic blankets. A food court area with tables and chairs is also available, in addition to a chill out zone.

## Food and Drink

The KidsFest food court area will have local community groups fundraising, plus local and Perth businesses selling food and we encourage festival patrons to support them.

Alternatively patrons are welcome to bring a home-packed picnic lunch, snacks and drinks, however take away food and drinks cannot be brought into the venue.

Water bottles can be refilled at water stations.

## Conditions of Entry

We want everyone to have a super fun time at KidsFest and ask that you are mindful of some conditions.

Some activities are subject to available materials.

Workshops, performances and activities are subject to change without notice.

All children must be accompanied by an adult at all times to be eligible to participate in festival activities.

Anyone behaving inappropriately at the event will be asked to leave and escorted off the premises.

If you require assistance or have any queries during the festival please ask event staff.

## Safety First!

All children must be accompanied by an adult and supervised at all times to be eligible to participate in event activities. While the event organisers have made every effort to create a safe environment throughout the event, children at the event remain the responsibility of their parents or guardians at all times.
