# Multicultural Festival 2022

A social story for families  
visiting the Multicultural  
Festival with young children  
on the autism spectrum.

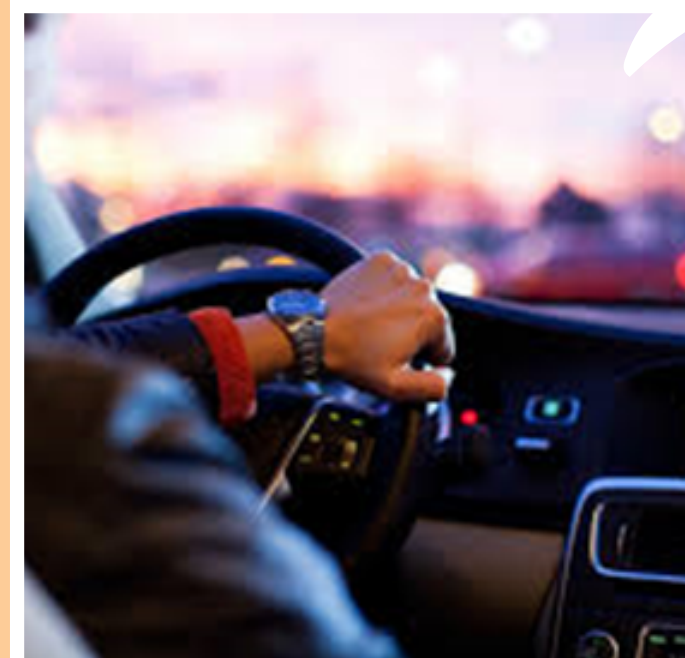

**I am planning to go to the  
Multicultural Festival at Lord Forrest  
Precinct and Cassidy Street.**

**If we drive to the event, we will  
park on surrounding streets or in  
the Goldfields Arts Centre car park.**

**There is lots of space to park.**

**After we park the car, it will only be  
a short walk to Lord Forrest  
Precinct and Cassidy Street.**

**There will be some activities that I can do like face painting  
and henna tattoos.**

**Sometimes I might have to wait my turn while other children  
are doing the activity.**

**There will be real fire in fire buckets at the event. It is important that no one touches them or they will burn our hands.**

**The fire brigade will be at the event so they can make sure the fire remains safe for everyone.**

**Food trucks might be selling food so  
there will be lots of smells, some I might  
like and some I might not like.**

**If I don't like the smells I can walk away  
and sit somewhere else.**

**City of  
Kalgoorlie  
Boulder**

**There will be lots of music and people around so sometimes it could be noisy.**

**There may even be roving entertainment throughout the event.**

**If I have headphones, I could bring them with me and put them on if it gets too noisy.**

**City of  
Kalgoorlie  
Boulder**

**If I have a problem or I can't find my friends or family, I can ask for help from the Events Team.**

**They will be wearing pink or yellow vests.**

**I can also ask for help at the Lost Child Point.**

**I just need to look for the sign that says Lost Child Point. It is where the St John Ambulance team will be.**

**Thank you for reading!**
