TYPE OF WASTE TO BE TAKEN TO THE TIP
*Only waste that is generated from the day to day operations of a household on a residential premise will be accepted. All waste streams arising from commercial, industrial or mining activities will not be accepted with this Residential Tip Pass Declaration Form. This specifically includes: Concrete, bricks, building waste, rubble, construction and demolition materials, asbestos, contaminated soil, tyres, car batteries, medical waste, chemicals, oils, paints, hazardous materials and any other refuse this is of commercial nature.

ACKNOWLEDGMENT (please tick)	
☐	I confirm I have no open Building or Demolition permits
☐	I understand a Residential Tip Pass remains valid for seven (7) calendar days from the date of issue. Ifthe Residential Tip Pass is not used within the seven (7) calendar days, the applicant can only re-applyin two (2) weeks from the date of issue.
☐	I understand domestic refuse that exceeds four (4) tonnes in conjunction with the Residential Tip Pass will be classified as commercial refuse and the applicant will be charged the difference at acommercial rate that exceeds four (4) tonnes. The commercial rate will be charged in accordance withthe schedule of fees and charges.
☐	I confirm the property is not being used as a Business.
☐	I understand only one tip pass can be issued per rateable property each financial year.
☐	I acknowledge that if the material taken to the Yarri Road Refuse Facility is different from what is stated on this form there may be additional fees and charges that apply.
☐	I understand that this Residential Tip Pass Declaration Form must be presented when the vehicle approaches the weighbridge. This form must be ticked, signed, and dated prior to disposal.
