2 INTRODUCTION

2.1 Governance

Governance is a process of directing, controlling and holding organisations to account in respect of all aspects of their function. It requires clear and effective operational systems to be both developed and complied with to ensure equity, transparency and accountability whilst also establishing a benchmark for continuous review and improvement.

The elected Council and staff of the City of Kalgoorlie-Boulder consider good governance is critical if the community is to have confidence in it. This Governance Framework sets out guidelines and standards expected of Councillors and employees to achieve good governance through concepts such as compliance, community participation, ethical conduct, transparency, accountability and ongoing performance management. It also sets out the roles of Council members, management and employees of the City of Kalgoorlie-Boulder and their relationships, along with financial, legal and ethical responsibilities that impact individuals and the organisation.

The City of Kalgoorlie-Boulder's good governance is achieved through various strategies explored in this Governance Framework, including as follows:

- Ensuring individual and organisational compliance with the Local Government Act, supporting regulations and additional relevant legislative instruments;
- Ensuring individual and organisational compliance with applicable Codes of Conduct, policies, procedures and management practices;
- Developing and publishing policies and procedures to ensure consistency and fairness in all decisions as well as transparency and accountability in respect of such decisions (both internally and to the members of the public);
- Implementing effective risk management processes, including ongoing identification, assessment, review and management of operational and strategic risks;
- Ensuring clear role definition and clarity for Council members and employees;
- Acting efficiently and effectively in its decision-making processes including:
 - obtaining, collating and reporting accurate, comprehensive and relevant information to Council;
 - ensuring Council members have a sound understanding of matters prior to making critical decisions;
- Ensuring ethical behaviour of Council members and employees, characterised by honesty and integrity;
- Seeking community participation (through open elections, open Council meetings and question time processes as well as consultation processes);
- Effectively managing staff and resources to ensure efficiency and effectiveness in implementing Council resolutions; and

- Creating a positive culture to promote open communication, teamwork and accountability.

In employing these strategies, the City of Kalgoorlie-Boulder endeavours to comply with the Local Government Act¹ to achieve:

- Better decision-making;
- Greater community participation;
- Greater accountability; and
- More efficient and effective operations.

2.2 Governance Framework document

This Governance Framework document is divided into the following parts:

Part 1: Legislative Basis

Part 2: Strategic planning and financial and risk management

Part 3: Organisational framework, decision making processes and role definitions

Part 4: Standards of behaviour

Part 5: Performance management and accountability

The City of Kalgoorlie-Boulder will undertake regular review of this document to ensure that the Governance Framework set out herein remains relevant and current, and that the City of Kalgoorlie-Boulder's functions are being performed in accordance with legislative and regulatory requirements and best practices.

¹ Section 1.3 *Local Government Act*

3 LEGISLATIVE BASIS

3.1 Local Government Authority

Local governments are the third tier of government in Australia (in addition to Commonwealth and State governments) and have legislative responsibility for the functions and activities of a community.

The City of Kalgoorlie-Boulder is a local government authority established under the Local Government Act. It is comprised of:

- An elected Council currently consisting of twelve Councillors led by the Mayor (there will be reduction to between 5 – 9 Elected Members from 2023; and
- Administration, consisting of the CEO and other employees.

As a local government, the City of Kalgoorlie-Boulder is regulated by the DLGSCI under the Local Government Act and various regulations.

The functions of the City of Kalgoorlie-Boulder include:

- Planning and development:
 - strategic planning including developing comprehensive management plans, budgets, financial controls and performance objectives; and
 - providing direction for the management of community activities including determining the type, range and scope of projects to be undertaken;
- Administering laws, law making and enforcement: developing and implementing local laws covering issues such as animal management and the use of public land and local government facilities;
- Meeting community needs: identifying community needs, representing constituents, assessing and prioritising competing needs and allocating resources;
- Developing policies and implementing policy decisions in the interest of the community;
- Advocating on behalf of the City of Kalgoorlie-Boulder at State and Commonwealth levels; and
- Executive functions: delivering essential services to the City including building and planning services, waste management, and provision and management of community infrastructure and resources.

3.2 Elections and formation of Council

Local government elections, including for the City of Kalgoorlie-Boulder, are held every two years. Currently, Council is comprised of twelve members, plus the Mayor. The Local Government Act is currently under reform and Council will be required reduce its numbers to between 5 and 9 offices (including the Mayor). Council is beginning its transitional process in late 2021 in order to be prepared for the ordinary election in October 2023.

The ordinary election cycle requires Councillors to be elected for overlapping four-year terms, with half of the Council members elected every two years. The Mayor is elected every four years. This overlapping system ensures good governance, as following an election the 50% of Councillors who remain in their seats provide continuity for residents and ratepayers, reduce the risk of loss of knowledge with outgoing Councillors and provide leadership for the incoming Councillors.

The Council is charged with the responsibility for the good governance of the City of Kalgoorlie-Boulder and is subject to various requirements of the Local Government Act and various regulations. Having been elected by the local community, the Council and individual Council members are also accountable to the electorate for their decisions.

3.3 Management and decision-making structure

3.3.1 Separation of power

There is a clear legislative distinction between the role of Council, and the roles of the CEO and administration. This is to ensure there is a separation of powers between the two components of the City of Kalgoorlie-Boulder: it prevents the concentration of power and establishes accountability mechanisms to achieve responsible governance.

3.3.2 Role of Council

The Council, as the overall decision-making body, is responsible under the Local Government Act² for:

- Governing the City of Kalgoorlie-Boulder's affairs (strategic planning for continued sustainability and monitoring of such strategies);
- Performing the City of Kalgoorlie-Boulder's functions (including developing mechanisms such as delegated authority and overseeing executive functions such as providing services and facilities (and regularly reviewing the same));
- Overseeing the allocation of the City of Kalgoorlie-Boulder's finances and resources; and
- Determining the City of Kalgoorlie-Boulder's policies.

Council receives reports, advice and recommendations from the CEO and administrative staff regarding decisions needed to be made. Council may resolve to adopt, amend, reject or defer a recommendation put to them by the CEO and administrative staff. Where Council makes a decision that differs from any recommendations or advice provided by the CEO and/or administrative staff, the minutes from the relevant meeting must set out in appropriate detail the reasons that Council resolved not to follow such recommendations or advice.

Decisions are voted on by the Council members in accordance with legislative or regulatory requirements and if passed, a decision is made in the form of a resolution. The Local Government Act as well as the Standing Order Local Law, set out requirements that must be followed including as to quorum, motions, voting rights, and the type of majority required for a decision to be made.

² Section 2.7 Local Government Act

The decisions made by Council are then implemented by the CEO and relevant department(s) of the City of Kalgoorlie-Boulder's administration team.

3.3.3 Role of CEO and administration

The CEO is employed by the Council and is responsible for the employment of all other staff members. The CEO and/or other employees undertake administrative responsibilities including:

3.5 Key functions

3.5.1 Council meetings

3.5.1.1 Standing Orders Local Law (2013)

The Standing Orders Local Law (2013) provides the rules and guidelines for the conduct of all meetings that deal with the business of the Council and its committees. In particular, it sets out the criteria regarding:

- Calling meetings;
- Business of the meeting;
- Public access to agenda material;
- Disclosure of interests;
- Quorum;
- Keeping minutes;
- Conduct of persons at committee meetings, conduct of Councillors during debate and procedure;
- Procedural motions;
- Effect of procedural motions;
- Making decisions, implementing decisions, preserving order; and
- Applying the Common Seal.

3.5.1.2 Voting

Councillors generally vote by way of a “simple majority” which means a resolution is passed when at least 50% of Councillors in attendance at a meeting vote in favour of it.

There are some matters about which the Local Government Act requires an “absolute majority” vote. An absolute majority means more than 50% of the total number of Council

offices (irrespective of the number in attendance at the given meeting and whether any seats are vacant).

3.5.1.3 Ordinary Council Meetings

Ordinary Council Meetings are held monthly in the Council Chambers located upstairs at the Kalgoorlie Town Hall.

Members of the public are invited to attend and participate (by following the question time/public access process) in the majority of Ordinary Council Meetings. On occasion, it may be necessary for a meeting, or part of a meeting, to remain closed to the public. Under the Local Government Act⁸, this may be for various reasons including matters:

- Relating to employee(s);
- Relating to personal affairs of a person;
- About which legal advice has been obtained; and
- Which would involve the revelation of trade secrets or commercial interests of a person.

Council meetings follow a formal agenda which sets out the order and details of business requiring discussion. Items on the agenda will be discussed and debated by Council, and resolutions will be passed by Council in relation to those items. This formalised process promotes good governance as it facilitates orderly discussion and adherence to a formal meeting process to ensure effective debate and decision making.

Good governance is also facilitated by having good record keeping processes and therefore the Minutes must document who was in attendance, whether anyone was not in attendance for any time, any impartiality or financial interests that have been declared, copies of all reports provided to the Council, what motions were moved and seconded (and by whom), what decisions were made and if a resolution differs to that which is recommended to the Council, appropriate details regarding the reasons for that difference.

Where a meeting or any part of it is closed to the public, the minutes will reflect the reason for the closing, and related reports may not be made available to the public.

To ensure accountability and transparency to the community, and therefore foster the community's trust in the Council, the agenda and minutes of a meeting (and related reports) are prepared by the administration team and are published on the City of Kalgoorlie-Boulder's website (except for confidential or sensitive material).

3.5.1.4 Special meetings

Special meetings are held by Council as and when required to consider urgent business.

As with ordinary council meetings, the agenda and minutes of a special council meeting (and related reports) are prepared by the administration team and are published on the City of Kalgoorlie-Boulder's website (except for confidential or sensitive material).

⁸ Section 5.23(2) *Local Government Act*

Special meetings can be called by notice from the Mayor or at least one third elected members to the CEO, or by Council resolution to call a special meeting⁹.

3.5.1.5 Agenda Briefing Forum

The agenda briefing forum is a non-statutory meeting held by Council to maximise the opportunity for Council members to seek additional information on an agenda item, ask questions, or seek clarification on officer reports that are on the ordinary council meeting agenda, prior to that ordinary council meeting. No debate takes place at these meetings, and no decisions are made. This process promotes good governance as it ensures that Council members are well informed regarding matters about which they must make decisions.

All of these meetings are open to the public to attend (however confidential items as prescribed in the Local Government Act 1995 will be discussed in a closed forum).

3.5.1.6 Information sessions and workshops

Information sessions and workshops are meetings of Council where Council members discuss upcoming matters and the CEO or other staff members provide presentations to the Council members. This process promotes good governance as it ensures that Council members are well informed regarding matters about which they may be required to decisions.

These meetings are closed to the general public.

3.5.2 Committees

3.5.2.1 Formation of committees

Under the Local Government Act¹⁰, Council may establish committees to assist Council to exercise its powers and discharge its duties. Committees assist to:

- Inquire into matters and provide feedback and recommendations to Council;
- Oversee a project on behalf of Council; and/or
- Exercise, perform or discharge delegated powers, functions or duties on behalf of Council.

Any resolution by Council to delegate authority to Committees to undertake functions on its behalf must be made by absolute majority and the delegations must be noted in the City of Kalgoorlie-Boulder's Delegations Register.

Council must determine the reporting and other accountability requirements that will apply. These determinations are called the "Terms of Reference" and are made by resolution of the Council. It is good practice to review the Terms of Reference regularly to ensure each Committee is achieving its purposes and the needs of Council and the community.

Committees report to the Council and must comply with all relevant legislation and regulations. Unless the Committee has been given delegated authority, it does not have any power to

⁹ 5.4 Local Government Act 1995

¹⁰ Section 5.8 Local Government Act

make decisions so Council must make resolutions based on the recommendations the Committee makes to Council.

Each election cycle, the membership of the committees becomes vacant, with new and existing Councillors then electing which committee they wish to participate on. Each Committee has between two and six Council members as members and may also include representatives from outside of the Council (although the majority must be formed by Council members).

To achieve good governance, external members of the Committee should be entirely independent from Council and Council members, and free of any interests which may impact their impartiality. This requires careful consideration at the point of a Committee being formed to ensure that there are no conflicts of interest which may affect the performance of the Committee, and the principles of “6Rs” outlined above in paragraph 6.1.5 should be applied. The involvement of independent people in Council committees promotes accountability and transparency, and provides a means of oversight regarding the Committee’s affairs.

3.5.2.2 Current committees and working groups

4 STRATEGIC PLANNING AND FINANCIAL AND RISK MANAGEMENT

It is a component of good governance that the City of Kalgoorlie-Boulder undertakes regular, comprehensive strategic planning and risk management reviews to ensure that its Council members and employees have a sound knowledge of critical components of the City's operations and have benchmarks against which it can review and measure its performance.

This Part sets out the processes of financial planning, strategic planning and risk management that are implemented to ensure knowledge is shared across the organisation, assist the City to develop short term and long-term policies and projects and provide mechanisms for accountability and oversight of its operations and functions.

4.1 Financial planning

4.1.1 *Financial management*

Council is ultimately responsible for the financial management of the City of Kalgoorlie-Boulder. This requires the Council to develop and oversee:

- Annual budgets;
- Long term financial planning;
- Policies for matters such as infrastructure renewals/replacement, asset acquisition, resource allocation, and efficiency and effectiveness of resource delivery;
- Risk management in relation to debt, assets and liabilities; and
- Performance management including obtaining reports and monitoring the administration of financial affairs.

The Local Government Act and Local Government (Financial Management) Regulations 1996 set out stringent requirements for local governments and in addition, the City of Kalgoorlie-Boulder's financial management strategies employ relevant accounting principles and standards.

The Council has also established the Audit and Risk Committee to oversee the financial operations of the City of Kalgoorlie-Boulder.

4.1.2 *CEO and administration's role in financial management*

The CEO is accountable to the Council for the financial management of the City of Kalgoorlie-Boulder.

The CEO ensures that financial management practices are established and maintained at the highest standard, including:

- Implementing appropriate systems in place for sound financial management;
- Developing and managing an organisational structure with experienced staff, relevant policies and procedures and adequate resources;

- Ensuring there are suitable controls in place to manage systems and resources;
- Developing suitable internal review mechanisms; and
- Ensuring compliance with legislative and regulatory requirements.

The CEO must review the appropriateness and effectiveness of the City of Kalgoorlie-Boulder's:

- Financial management systems and procedures; and
- Risk management systems and procedures.

4.1.3 Budget

The annual budget is developed in accordance with the Long Term Financial Plan to set out the Council's priorities and the allocation of resources to those priorities for the upcoming financial year. The budget contains:

- A statement of comprehensive income by nature or type;
- A statement of comprehensive income by program;
- A statement of cash flows;
- Rate setting statement; and
- Notes to and forming part of the budget.

Budget adoption process

During the annual budget adoption process, Council members, the CEO and staff meet frequently to discuss budgetary issues such as:

- New projects;
- Ongoing projects;
- Rates;
- Grants; and
- Services provided.

This process begins in February, when the budget requirements of all departments are compiled over a few months.

When adopting the budget, Council must take into account all of its expenditure, revenue and income. The final adoption and public launch of the annual budget takes place in July.

4.1.4 Annual Grant Program

Grant requests for the Annual Grant Program are to be submitted during February and March. Deliberations takes place in June, and applicants may be invited to make a presentation to the Council.

4.1.5 Long Term Financial Plan

The Long Term Financial Plan is a ten year financial projection taking into consideration income, operational and capital expenditure. The financial estimates of projects and initiatives outlined in the Corporate Business Plan has been included in the financial projection. This pivotal document is one of the informing strategic documents that assists in prioritisation of projects and helps the City of Kalgoorlie-Boulder to secure its financial sustainability.

In developing the Long Term Financial Plan, the City of Kalgoorlie-Boulder follows standard financial planning principles including identifying potential future revenue sources and undertaking risk management strategies in relation to debt, assets and liabilities.

4.2 Procurement processes

Where a contract for goods or services is valued between \$0 and \$249,999 (depending on the complexity of the purchase) the City of Kalgoorlie-Boulder follows a process of requesting quotes from the public in accordance with the City of Kalgoorlie-Boulder's purchasing policy.

The officer responsible for the particular goods or services must develop a procurement plan including scope of works, qualitative criteria, specifications and other relevant information. The procurement team and responsible officer use this procurement plan to then seek quotes from suppliers. Once quotes have been received, they will be reviewed and evaluated by a panel of at least three people who will make recommendations to the responsible officer. Contract documents will then be prepared in accordance with the procurement plan and accepted quote.

This process facilitates good governance by ensuring transparency and fairness on the City's activities.

4.3 Tender processes

The City of Kalgoorlie-Boulder has obligations under the Local Government Act and Local Government (Function and General) Regulations 1996 in relation to the tenders for projects, and in particular must invite tenders before it enters into a contract for the supply of goods or services where the consideration is or is expected to be more than \$250,000¹¹ (unless excluded under the regulations).

To achieve good governance through fairness and transparency in its decision-making the City of Kalgoorlie-Boulder has developed a Tender Criteria Policy to set out tender evaluation criteria to invite tenders to achieve the best overall outcomes.

¹¹ Section 3.57 *Local Government Act*, regulation 11 *Local Government (Function and General) Regulations*

The Local Government (Function and General) Regulations 1996¹² requires the City of Kalgoorlie-Boulder to determine the criteria that will be applied to a tender process prior to advertising its tender invitation to the public. There are some requirements regarding advertising, such as times when it must be State-wide advertising, which the City of Kalgoorlie-Boulder must comply with.

When developing a project which will be opened to tender, the City of Kalgoorlie-Boulder must:

- Develop a relevant scope of works with sufficient detail to enable a tenderer to have a clear understanding of the nature of the project, relevant timeframes, deliverables and other critical details;
- Develop evaluation criteria for the tender project including in respect of:
 - Quality;
 - Capacity to deliver;
 - Regional capacity and experience;
 - Sustainability/lifecycle;
 - Relevant experience;
 - Methodology/demonstrated understanding;
 - Key personnel;
 - Tenderer's resources; and
 - Price/schedule of rates.
- Where it varies information provided, ensure that all tendered are given notice of the variation.

The City of Kalgoorlie-Boulder has developed three recommended weighting criteria models for product purchases, service provision and construction projects which are generally used, however criteria range(s) may be adjusted or the criteria modified to fit the needs of the particular project. The City of Kalgoorlie-Boulder provides written notice to all tenderers advising if no tender was accepted, or alternatively, the particulars of the successful tender.

Local Government (Function and General) Regulations 1996¹³ prevents a project from being broken down into smaller contracts for consideration less than \$250,000 in order to avoid the tender process requirements.

The CEO must keep a tender register, and must make that available for public inspection including by publishing that on the City of Kalgoorlie-Boulder's website.

4.4 Asset management

The CEO has overall responsibility for developing and overseeing an asset management strategy that includes short, medium and long term financial management and allocation of

¹² Regulation 14(2a) *Local Government (Function and General) Regulations*

¹³ Regulation 12 *Local Government (Function and General) Regulations 1996*

appropriate organisational resources to ensure the City of Kalgoorlie-Boulder is able to immediately deliver services as well as meet its long term objectives.

The City of Kalgoorlie-Boulder has developed an Asset Management Policy to establish a framework for its long term, sustainable management of its infrastructure and other assets to be accountable and employ best practices across all areas of the organisation.

The Asset Management Policy requires the following:

- Consistent strategies across all departments of the City of Kalgoorlie-Boulder;
- Ensuring compliance with all legislative and regulatory requirements;
- Considering political, social and economic environments when employing asset management strategies;
- Ensuring asset planning and management has ongoing direct links to annual budgeting, long term financial planning and reporting processes;

- Completing systematic and regular reviews of all assets and information reporting; and
- Ensuring Council members and staff with financial and asset responsibilities are appropriately briefed and trained in relevant financial management principles, practices and processes.

4.5 Business management

4.5.1 Business plans for major trading undertakings

It is a requirement under the Local Government Act that the City of Kalgoorlie-Boulder prepare a business plan for any major trading or land undertaking¹⁴.

This means that where:

- the City of Kalgoorlie-Boulder completed or will complete a trading undertaking where its expenditure is in excess of \$5,000,000; or
- the total value of consideration being paid for land plus anything being done by the City of Kalgoorlie-Boulder to achieve that transaction exceeds \$10,000,000 or 10% of the operating expenditure for the last financial year (whichever is the lesser),

the City of Kalgoorlie-Boulder must:

- prepare a business plan setting out, amongst other matters, the impacts of the undertaking on the provision of facilities and services and those who provide them, the financial position of the City of Kalgoorlie-Boulder and the ability of the City of Kalgoorlie-Boulder to manage the undertaking;

¹⁴ Section 3.59 *Local Government Act*

- give State-wide notice of the proposed transaction;
- allow inspection of the business plan and publish it on its website; and
- accept submissions in relation to the business plan.

Currently, the City of Kalgoorlie-Boulder's threshold for a business plan is \$6,100,000 (based on the operating expenditure of the 2020/21 financial year).

An absolute majority of Council is needed in order to proceed with any major land or trading undertaking.

The Corporate Business Plan has been broken down into the five aspirations outlined within the Strategic Community Plan and Council projects, capital investment and areas of advocacy have been listed against the relevant Strategic Initiatives. The layout of the plan has been set to help demonstrate how the Council will meet the most important local needs and ensure that the community's vision for the City of Kalgoorlie-Boulder is brought to life.

When the City of Kalgoorlie-Boulder disposes of property by sale, lease or otherwise (unless it does so by public auction or tender) it is required to give public notice of its proposed disposal and allow at least two weeks for submissions from the public regarding that proposal. The notice must include the names of the relevant parties, what consideration (eg. purchase price or annual rent) will be received by the City of Kalgoorlie-Boulder and the market value (current within six months).

4.5.4 Reconciliation Action Plan

The development of the City of Kalgoorlie-Boulder's Reconciliation Action Plan (RAP) marks an important milestone and will guide the way our organisation works with local Aboriginal and Torres Strait Islander people to achieve better outcomes. Development of the RAP occurred over two years and reflects considerable planning efforts with local stakeholders including the Goldfields Land and Sea Council, Council members and various working groups.

By publicly declaring its commitment to reconciliation, the City of Kalgoorlie-Boulder can build a more prosperous future for the City. The RAP will be championed by the City of Kalgoorlie-Boulder executives with support, guidance and direction from the CKB Reconciliation Action Plan Working Group. The group will be comprised of various councillors and appointed local stakeholders to ensure the right people are engaged in delivering outcomes.

- to build confidence in young people;
- to grow the capability of young people; and
- to foster connection between young people and the wider community.

4.6.6 Water Utility Services Plan

The Water Utility Services Plan outlines the strategic intent for delivery of wastewater and recycled water services to the City of Kalgoorlie-Boulder. This plan gives effect to actions set out in the City's Corporate Business Plan 2021 -2024. More specifically, it helps give effect to two of the five community aspirations, namely infrastructure - ensuring a sustainable asset and infrastructure base, and environment - utilising water efficiently and maximise reuse potential.

The plan is an 'informing strategy' to the Strategic Community Plan in the context of the Integrated Planning and Reporting Framework.

4.6.7 Waste Utility Services Plan

The Waste Utility Services Plan has been prepared to guide the delivery of waste management services to the Kalgoorlie-Boulder community. It provides a clear pathway to implementing better waste services that meet the needs and expectations of the Kalgoorlie-Boulder community.

4.7 Governance

4.7.1 Development and review of policies and procedures

The Council is responsible under the Local Government Act for determining local government policies to provide Council and employees with the detail and framework needed to make decisions and provide services in a way that is consistent, fair and proper. There are two types of policies developed by the Council:

- Council policies: these are strategic policies which guide the management and development of the City of Kalgoorlie-Boulder's resources, facilities, assets and services, as well as the financial management systems.
- Corporate policies: administrative and operational policies for internal purposes.

The local laws provide rules and guidelines which enable the City of Kalgoorlie-Boulder to deliver good services and amenities for the community and govern activities on private and public land. Local laws have the status of legislation and are enforceable by the City of Kalgoorlie-Boulder. The City of Kalgoorlie-Boulder may authorise officers to enforce the local laws on its behalf, with a maximum penalty of \$5,000.

The Local Government Act sets out a process that must be followed by the City of Kalgoorlie-Boulder to adopt local laws. The City of Kalgoorlie-Boulder works closely with the DLGSCI when considering and amending local laws to ensure compliance with legislative requirements. Public comment is sought through a six week advertising period and considered before any proposed laws are accepted and adopted. The final stage of enacting local laws are for them to be gazette and considered by the Western Australian Parliamentary Joint Standing Committee on Delegated Legislation.

¹⁵ Section 3.5 *Local Government Act*

The City of Kalgoorlie-Boulder is required under the Local Government Act¹⁶ to review all of its local laws every eight years from the date they came into operation or from the date they were last reviewed. This process also allows for community consultation and feedback.

4.8 Risk management

4.8.1 Risk Management Framework

The City of Kalgoorlie-Boulder has developed its Risk Management Framework and Risk Management Policy in accordance with AS/NZS ISO-31000:2018 Risk Management Principles and Guidelines. The Risk Management Framework supports good governance by

¹⁶ Section 3.16 *Local Government Act*

the City of Kalgoorlie-Boulder by providing an effective structure to assess, review and manage risks, as well as ensuring role clarity and transparency in respect of these processes.

The City of Kalgoorlie-Boulder has developed a “three lines of defence” approach to risk management, with those lines of defence being as follows:

- First line of defence: all operational areas - all staff are required to identify, assess, manage, monitor and report on risk identified in relation to their roles; and
- Second line of defence: those that oversee risks, including the governance team, managers as well as those who develop and manage financial controls, information communication technology systems; and
- Third line of defence: established through an audit process of both internal and external independent audits.

The Risk Management Framework outlines the following stages in risk assessment and management:

- Understanding the context within which risks are being assessed (strategic – risks associated with achieving long term objectives; operational – risks present in day-to-day operations; and project – direct risks which may arise as a result of a project or indirect risks which may threaten the deliver of project outcomes);
- Finding, recognising and describing risks, potential causes and potential controls to mitigate the risks;
- Analysing the risks in accordance with the Risk Assessment and Acceptance Criteria and evaluating the effectiveness of controls;
- Evaluating the risk and determining whether the risk is withing acceptable levels to the City of Kalgoorlie-Boulder;
- Determining appropriate controls and developing treatment plans to reduce the likelihood of a risk occurring or the consequence if it does materialise; and
- Ongoing review and reporting in relation to risks and control mechanisms.

Council and the administration team all have roles in ensuring risk management processes are implemented, and the Risk Management Framework sets out roles as follows:

- Council: reviews and approves risk management policies, appoints external auditors and establishes an audit committee in terms of the Local Government Act;
- Audit and Risk Committee: reviews the appropriateness and effectiveness of the Risk Management Framework and provides independent oversight and support in relation to the implementation of that by the administration team;
- CEO and executive leadership team: appoint internal auditors, liaise with Council regarding risk acceptance requirements, ensure all staff employ risk management

strategies in their day-to-day operations and own and manage the City's risk profiles;

- Executive Manager Governance and Risk Services: oversees and facilitates the Risk Management Framework and supports implementation of strategies by staff; and
- Employees: drive risk management culture within their teams and ensure risks are constantly identified, assessed and managed.

The City of Kalgoorlie-Boulder maintains internal operational and strategic risk registers which are contributed to by staff (through appropriate reporting channels) in the event a risk is identified.

The City of Kalgoorlie-Boulder is committed to ensuring that risks are identified, assessed and registered and subsequently reviewed regularly by the CEO and executive leadership team and the Audit and Risk Committee.

4.9 Insurance

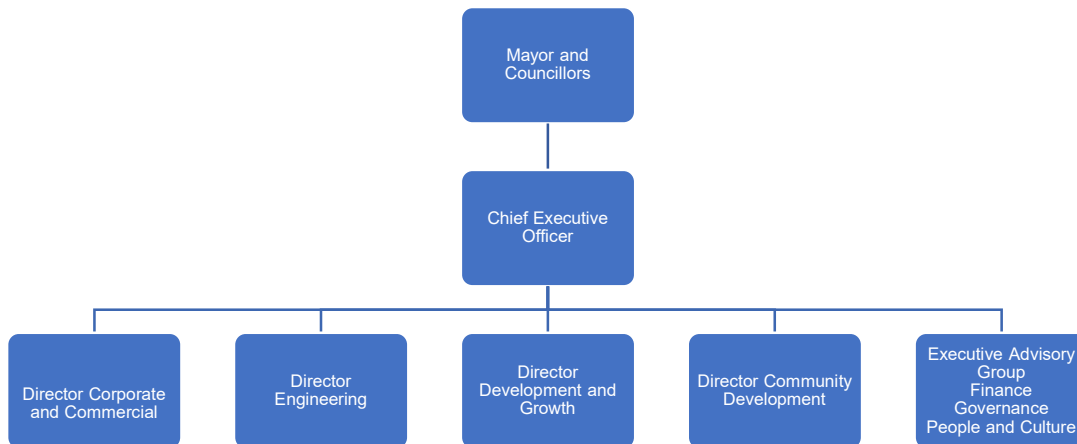

The City of Kalgoorlie-Boulder has comprehensive insurance through the Local Government Insurance Scheme.

5 ORGANISATIONAL FRAMEWORK, DECISION MAKING PROCESSES AND ROLE DEFINITIONS

The City of Kalgoorlie-Boulder relies on teamwork to achieve its goals, and therefore it requires all Council members and employees to engage in open and honest communication and show respect for others at all times. In addition to enabling a collaborative environment, good governance of the City of Kalgoorlie-Boulder requires all members of the organisation to understand their own role and responsibilities as well the roles and responsibilities of others.

This Part of this Governance Framework sets out the roles of key figures in the local government organisation and the principles that the City of Kalgoorlie-Boulder considers critical to effective working relationships between those key figures to exercise decision-making obligations and administrative functions.

In mid 2022, a realignment of the organisation structure was undertaken to ensure appropriate separation and provide clarity in reporting arrangements. In developing the organisational structure, consideration was given to improvements in governance, financial management and organisational culture. Each of these areas were identified as priority focus areas through a recent cultural review. The establishment of the Executive Advisory Group to provide consistent advice across the entire executive team is intended to ensure that the appropriate governance arrangements are in place. The structure is outlined below.

5.1 Executive Leadership Team and areas of management

The Executive Leadership Team is comprised of the Chief Executive Officer and four directors and the Executive Advisory Group is comprised of three executive managers. Both of these groups are led by the CEO and are responsible for the management of the following departments within the City of Kalgoorlie-Boulder:

5.1.1 Executive Leadership Team

- Director Development and Growth: including responsibility for community safety, ranger services, environmental health services, economic development, strategic planning and business development and building and planning services;

- Perform duties capably and professionally.

5.2 WORKING RELATIONSHIPS

5.2.1 Effective working relationships

Good governance of the City of Kalgoorlie-Boulder requires effective relationships for decisions to be made and outcomes successfully delivered for the benefit of the community. Conversely, poor working relationships can result in delays or failure to make effective decisions and can result in the erosion of public confidence in the Council and the City of Kalgoorlie-Boulder.

Effective relationships require:

- Role clarity;
- Understanding of and respect for individual roles;
- Inclusivity and encouragement for all views to be expressed and respected; and
- Open and respectful communication.

5.2.2 Relationships between Mayor and Councillors

As leader of the Council, the Mayor must encourage and facilitate all Councillors to express views, ensure Councillors are respectful in their dealings with and about each other and facilitate open communication between all Councillors.

The Mayor is the first point of contact in the event of there being disputes between Councillors and provides assistance to Councillors in relation to their roles and responsibilities. This advisory and support role is an important aspect of the Mayor's functions as it is a critical aspect of the efficacy of Council and good governance of the City of Kalgoorlie-Boulder.

The Councillors must show respect for the Mayor's role (both in Council and the community).

5.2.3 Relationship between Mayor and CEO

The Mayor and CEO must communicate openly, honestly and frankly about all matters concerning the City of Kalgoorlie-Boulder.

It is critical that they keep each other informed about all important issues or information about which they should each know to properly do their job and avoid "surprises" at events. To achieve this, the Mayor and CEO should liaise and meet regularly and consistently (subject to the need to ensure a clear separation of powers as to their respective roles).

Role clarity is also critical to the effective relationship between the Mayor and the CEO. In particular, understanding is required by each of them as to:

- The Mayor has status and leadership capacity but no direct authority in its own right;
- The CEO has direct authority under the Local Government Act; and
- Whilst under the Local Government Act, the Mayor has the authority to speak on behalf of the City of Kalgoorlie-Boulder, on occasion it is more appropriate for the CEO to do so.

5.2.4 Relationships amongst Councillors

The Local Government Act and the Councillor's Code of Conduct set out matters pertaining to the relationship of Councillors, and community standards also set expectations for the conduct of Councillors.

Councillors are members of a team and therefore to deliver successful outcomes to and for the benefit of the community, Councillors should promote a constructive working relationship by:

- Communicating directly and openly with each other;
- Treating each other with respect, courtesy and fairness;
- Resolving disputes or conflict respectfully;
- Recognising that the manner of their behaviour can either generate or erode their credibility and community trust in them and the Council as a whole;
- Not airing grievances publicly, in a personal attack or in a way that undermines another Councillor;
- Fostering goodwill amongst each other;
- Recognising that Councillors may advocate for matters of concern or interest to them or their constituents;
- Not using offensive or derogatory language when referring to another person;
- Not disparaging the character of another council member, committee member or candidate or a local government employee in connection with the performance of their official duties; and
- A council member or committee member should maintain and contribute to a harmonious, safe and productive work environment.

5.2.5 Relationships between CEO and Councillors

There must be a clear understanding between the CEO and Councillors as to their respective roles for them to have good working relationships. Councillors must understand the CEO's legislative and delegated authority and its role in implementing the City of Kalgoorlie-Boulder's goals and strategies as well as supporting and advising Council. In addition, open and frank communication, and clear structures and protocols, are critical.

5.2.6 Relationships between Councillors and employees

Employees are employed by, and accountable to, the CEO (not the Council or any individual Councillors). Councillors must not give direction to employees.

For there to be good working relationships between Councillors and employees, there should be:

- Structures and protocols for appropriate communication and information exchange (in particular, advice should be sought from the CEO and senior staff rather than from employees directly);
- Clear understanding of the roles that they each perform; and
- Clear understanding of the legislative and regulatory requirements, policies and procedures that each person is required to comply with.

Councillors should not seek to foster special relationships with employees for the purpose of seeking information that may not otherwise be available to Councillors, attempt to influence

an employee or act in a threatening or abusive manner towards an employee. This includes unauthorised access to the City's administration areas.

5.3 Council's delegation of its decision-making authority

5.3.1 Delegation to CEO

The Local Government Act enables Council to delegate its capacity to exercise any of its powers or duties to the CEO, except for¹⁷:

- Any power or duty that requires a decision of an absolute majority of Council;
- Accepting a tender which exceeds an amount determined by the City of Kalgoorlie-Boulder;
- Appointing an auditor;
- Acquiring or purchasing any property valued at or above the limit determined by the City of Kalgoorlie-Boulder;
- Determining fees, allowances and expenses of Council Members and committee members;
- Borrowing money on behalf of the City;
- Hearing or determining an objection of a kind referred to in section 9.5 of the Local Government Act;
- The power to authorise a person to sign documents on behalf of the City of Kalgoorlie-Boulder;
- Any power or duty that requires the approval of the Minister or Governor; and
- Such other powers or duties as may be prescribed.

Where the Council delegates authority to the CEO, it must do so in writing and by absolute majority. Council may revoke or amend a delegation, also by resolution reached by absolute majority. The CEO must keep records of each time they exercise a delegation.

Authority can also be delegated to the CEO under other legislative instruments such as the Public Health Act 2016 (WA).

These delegations enable the CEO to undertake functions within the authority of any given delegation, without needing to first obtain a Council resolution. This process facilitates good governance as it ensures efficiency and enables the Council to focus on policy development, representation, strategic planning and community leadership.

¹⁷ Section 5.43 *Local Government Act*

5.3.2 Delegation to employees

Council or the CEO can delegate authority to employees to perform particular functions of Council. This delegation of authority provides employees with the power to exercise duties and make determinations (in accordance with the scope of the relevant authority).

The CEO's delegation must be in writing, each employee must keep records of each time they exercise a delegation, and the delegations are to be reviewed on an annual basis.

This process facilitates good governance as it ensures efficiency and enables the CEO to focus on organisational management and working with Council.

5.3.3 Delegation to Committees

Council can delegate authority to committees and if so, will clearly set out the conditions of such authority and review those delegations annually. Council's committees do not presently have delegated authority.

5.3.4 Delegated authority registers

The City of Kalgoorlie-Boulder is required by legislation to keep a register of all CEO delegations and a register of all other delegations to Committees and employees, which are published on its website.

The registers are reviewed and updated at least once every financial year in accordance with the Local Government Act¹⁸.

5.3.5 Authorised persons

Under the Local Government Act, the CEO can appoint a person or class of persons to perform particular functions under legislation or local laws.

An appointment is made in writing by the CEO or is otherwise detailed in legislation. An authorised person must have a certificate confirming their appointment or some other form of identification to confirm that and to demonstrate their ability to perform that function.

Authorised persons are not necessarily persons with delegated authority.

5.4 COMMUNITY AND STAKEHOLDER ENGAGEMENT

5.4.1 Consultation

Community consultation is used to ascertain the needs and wishes of the community and other stakeholders as they relate to a certain project or development. The public may be consulted through surveys, workshops, community forums and other processes. The City of Kalgoorlie-Boulder administration consults the community in this manner as directed by Council and collates information to report back to Council.

¹⁸ Sections 5.18 and 5.46 *Local Government Act*

In some instances, the City of Kalgoorlie-Boulder is required by the Local Government Act or regulations to either give public notice of its intention to take a certain course of action or provide a period of public consultation prior to taking that course of action.

The City of Kalgoorlie-Boulder has developed a Community Engagement Plan and Community Engagement Strategy (2022 – 2026) to guide the administration in its consultation and engagement processes with the community and stakeholders. In particular, the City of Kalgoorlie-Boulder is guided by the following six strategic objectives:

- Clarity of purpose (ensuring the community is well informed about issues that affect it);
- Building Relationships (providing the community opportunities to be heard, and providing solutions to community issue);
- Right to be involved (ensuring the community has the opportunity for involvement in policy development where possible);
- Transparent (meeting legislative requirements regarding consultation);
- Accessible and inclusive (using different methods to seek input from a wide cross-section of the community); and
- Tailored (recognising diversity in activities and the types of engagement to be undertaken).

The City of Kalgoorlie-Boulder’s framework to guide communication and engagement with the community is based on principles of:

- Inform;
- Consult;
- Involve;
- Collaborate; and
- Empower.

These consultation processes are critical to good governance – they enable the City of Kalgoorlie-Boulder to gain an understanding of the multi-faceted community it represents and leads, and therefore ensure that its decisions reflect the expectations of the community.

5.4.2 Notices and advertising

In many instances, the City of Kalgoorlie-Boulder is required by the Local Government Act to provide notice of its intention to take a particular course of action or decision. In other instances, the City of Kalgoorlie-Boulder will advertise certain proposed courses of action or decisions to provide the community with an opportunity to comment or object. The City of Kalgoorlie-Boulder seeks to exceed the legislative requirements regarding community engagement through its application of its Community Engagement Strategy and Community Engagement Plan.

Notices are available in not less than three of the following locations:

- on the City of Kalgoorlie-Boulder website;
- on the City of Kalgoorlie-Boulder Facebook page;
- on the City of Kalgoorlie-Boulder's electronic notice board, located at 577 Hannan Street, Kalgoorlie (in front of the administration building);
- in the local Kalgoorlie Miner or Goldfields Express newspapers;
- on the notice board outside the Council Administration Building (577 Hannan Street, Kalgoorlie) and at the William Grundt Memorial Library (13 Roberts Street, Kalgoorlie); and
- in the case of state-wide notices, in the West Australian newspaper.

5.4.3 Public access sessions and question time during Council and Committee Meetings

Members of the public present at ordinary council meetings, special meetings and committee meetings are welcome to participate in Public Access and Question Time, which is held at the start of proceedings.

Where a person wants to ask a question, the questions must be submitted in writing, using the Public Question Time submission form available on the City of Kalgoorlie-Boulder's website, at least 30 minutes before the start of the relevant meeting or alternatively, emailed to the administration team by noon on the day of the meeting.

Where a person wants Public Access in order to make a presentation to Council (without asking questions of Council), the person must complete the Public Access application form available on the City of Kalgoorlie-Boulder's website and provide that to the CEO by no later than 2pm on the day of the ordinary council meeting.

5.5 Leave of absence by Councillors

It is a critical aspect of both good governance and the success of a Council member in their role that Council members attend and participate in decision-making processes. For this reason, there are stringent rules in place regarding the absence of a Council member.

A Council member who is going to be absent from a meeting must submit an apology.

Where a Council member requires an extended leave of absence, they should apply to Council to grant leave of absence for that extended period. A leave of absence should not be granted in respect of more than six consecutive ordinary meetings, unless all such meetings fall within a three month period.

A Council member who is absent, without first obtaining leave of the Council, throughout three consecutive ordinary meetings at the Council is disqualified unless all the meetings are within a two month period.

5.6 Annual Elector's Meeting

A general meeting of the electors of the City of Kalgoorlie-Boulder is to be held once every financial year. The Annual Electors Meeting date is set when the Annual Report is adopted by Council. The Annual Electors Meeting agenda includes:

- Presentation of Annual Report for the previous financial year; and
- General business.

Questions or motions from Electors are invited and can be presented at the meeting. All decisions made at an electors' meeting are to be considered at the next Ordinary Council Meeting.

6 STANDARDS OF BEHAVIOUR

For the community to have confidence in the City of Kalgoorlie-Boulder, each Council member and employee must behave with the highest standards of personal integrity and honesty. These principles underpin good governance of the City of Kalgoorlie-Boulder because of the potential for a community's perception of the organisation as a whole to be determined, positively or negatively, by the conduct of an individual or subset.

Codes of Conduct have been established by the City of Kalgoorlie-Boulder in the forms required by the Local Government Act to ensure that Council members and employees understand and meet behavioural standards. These are reviewed regularly to ensure they conform with community expectations, organisational standards and regulatory requirements.

This Part of this Governance Framework sets out the ethical and behavioural standards expected of all Council members and employees of the City of Kalgoorlie-Boulder. In setting out these expectations, this document (along with relevant Codes of Conduct) promotes good governance by providing guidance to individuals when they are making personal decisions regarding ethical matters. This ensures that such decisions are made in accordance with the high standards of integrity and honesty as are expected of them.

6.1 Ethics standards for Council members and employees

6.1.1 *Actual, potential and perceived conflicts of interest*

A conflict of interest is where a Council member or employee has interests outside of their role that could improperly influence, or be seen to influence, their decisions or actions in the performance of their public duties. A conflict of interest may be:

- Actual;
- Potential; or
- Perceived or apparent.

An *actual conflict* is one which does exist.

A *potential conflict* is one which may exist in the future.

A *perceived or apparent conflict* is one where, when viewed objectively and reasonably by an independent person such a member of the community, it appears that there is a conflict of interest (even if there is not).

It is essential for good governance that proper processes are in place to identify and consider conflicts of interest to ensure that all decisions are made and implemented fairly, independently and in the best interests of the community. It is critical to the community's trust in the City of Kalgoorlie-Boulder that both Councillors and employees carefully consider in their dealings whether there is an actual, potential or perceived conflict of interest. It is also critical to that trust that they comply with their obligations under the Local Government Act and relevant code of conduct honestly and diligently.

The appearance of a conflict of interest can be as damaging to the community's trust in the City of Kalgoorlie-Boulder as an actual conflict. It is therefore particularly important for Councillor and employees to consider the risk of perceived or apparent conflicts of interest to both the public's confidence in the City of Kalgoorlie Boulder as well as their individual reputation and integrity.

Councillors and employees should be mindful of conflicts of interest from relationships they form with, and when accepting gifts from, a person or company if they are (for example):

- Involved in a current or potential future tender process;
- A current or potential future grant applicant;
- Lobbying the Council in relation to any interests;
- An applicant or objector in relation to development proposal; or
- Likely to directly or indirectly benefit or be advantaged by a decision before Council.

6.1.2 Disclosure of financial interests

Council members should carefully consider, when reviewing an agenda, whether there are any financial interests that must be disclosed by them. Employees should also consider financial interests when given a task such as report writing or providing advice.

Council members, Committee members and employees providing reports and advice or who have delegated authority have an obligation to disclose if they, or a person close to them, has a financial interest, whether direct or indirect, in a matter being discussed at Council¹⁹.

A financial interest will arise in circumstances where it is reasonable to expect that there may be an actual or potential, direct or indirect, financial gain, loss, benefit or detriment to the Council member as a result of the decision of Council or person with delegated authority²⁰.

A person "close to a Council member" includes²¹:

- The Council member's employer;
- A body corporate of which the Council member is a director, secretary or executive officer;
- The spouse, de facto partner or child of the Council member who is living with the Council member;
- A person who was a client or advisor of the Council member within the previous 12 months;
- a person who has given a gift to a Council member under prescribed circumstances.

¹⁹ Sections 5.60 and 5.65 *Local Government Act*

²⁰ Section 5.60 *Local Government Act*

²¹ Section 5.62 *Local Government Act*

A “direct financial interest” is one where there is a matter to be dealt with and it is reasonable to expect that if dealt with in a particular way, it will result in a financial gain, loss, benefit or detriment, to the person²².

Whether or not there is a “reasonable expectation” must be determined objectively, with the question to be addressed at the time the matter is dealt with – mere speculation as to future events may not be a reasonable expectation unless it is probable that those future events will occur and therefore that the financial gain, loss, benefit or detriment will follow²³.

An “indirect financial interest” includes:

- A reference to a financial relationship between the Council member or employee, and another person who is affected by a local government decision in relation to a matter;
- A matter where the Council member or employee reasonably expects to have a financial gain, loss, benefit or detriment if the matter is dealt with in a particular way; and
- There is no need for a financial gain, loss, benefit or detriment to be established if there is a financial relationship between the Council member or employee (or a person they are close with) and a person who will be affected by a local government decision.

A disclosure is required to be made at each point the matter will be dealt with. For example:

- If the matter is to be dealt with by a Committee with delegated authority, it needs to be disclosed at the Committee but not at Council, as Council will not be dealing with the matter; or
- If the matter is the subject of Committee recommendations and Council decision making, it must be disclosed at both meetings; and
- Financial interests can exist for Council members and be disclosable even though the matter is being dealt with by employees under delegated authority²⁴;
- Under the Local Government Act, an employee must disclose a financial interest and the extent of that prior to giving an oral report or advice at a meeting but is not required to leave the meeting. Further, they are not required under the Act to disclose that interest if they are not providing that report or advice directly to the meeting; and
- An employee with delegated authority cannot exercise that power or discharge their duty in relation to any matter in which they have an interest and must notify the CEO of a financial interest so that the CEO or another employee can act.

A Council member must disclose a financial interest either in writing to the CEO prior to a meeting or at the commencement of a meeting, immediately before the matter is discussed

²² DLGSCI Operational Guidelines document (number 20) “Disclosure of Financial Interests at Meetings”

²³ Ibid

²⁴ Ibid

(even if it was disclosed at the commencement of the meeting). The minutes must reflect that disclosure has been made.

The disclosure should be made with specificity as to the value of the financial interest - in its Operational Guidelines “Disclosure of Financial Interests at Meetings” document, the DLGSCI offers suggestions for how a disclosure should be made, such as the following examples:

“I have shares in the company making the application, the value of which may be affected as the value of shares I have is \$XX and that value may increase by XX% if the application is approved.”

“The application may affect the valuation of land I owned as the effect of the application being approved may be a XX% increase in the valuation of the land I own, which equates to \$XX.”

The Council member may request to be allowed to stay in the meeting and be involved in the decision-making process but must leave the room while other members determine that request.

Council members can determine to allow the person to stay in the room during discussions, and can also determine the extent of the involvement of the Council member in speaking and voting on the matter. If they decide the interest is trivial or insignificant to not influence the Council member’s conduct in relation to the matter, or the interest is not unique to that Council member, the Council member may be allowed to return to the meeting (and the Council members can decide whether or not they can speak and/or vote).

An application can also be made to the Minister for a decision as to a Council member’s involvement in a matter once an interest has been declared.

The Local Government Act allows for prosecution of offences against these requirements of financial disclosure and imposes severe penalties for breaches, including a maximum penalty of \$10,000 or two years imprisonment²⁵. In addition, a Council member may be disqualified from holding office if convicted of a local government offence²⁶.

The DLGSCI has published an Operational Guidelines document (number 20) “Disclosure of Financial Interests at Meetings” which should be reviewed by a Council members and employees.

6.1.3 Disclosure of proximity interests

Council members and committee members have an obligation to disclose interests around Council matters that are near that person’s land. A Councillor must declare a proximity interest prior to the relevant agenda item being discussed and must not preside or participate in discussion on the matter unless allowed by the Council, committee or the Minister (which may be permitted only in certain circumstances).

The Local Government Act²⁷ provides that a person has a proximity interest in a matter if it concerns:

²⁵ Section 5.65 *Local Government Act*

²⁶ DLGSCI Operational Guidelines document (number 20) “Disclosure of Financial Interests at Meetings”

²⁷ Section 5.60B *Local Government Act*

- A proposed change to a planning scheme affecting land that adjoins the person's land;
- A proposed change to zoning or use of land that adjoins a person's land;
- A proposed development of land (as defined by section 5.63(5) of the Local Government Act as being the development, maintenance or management of the land or of services or facilities on the land) that adjoins that person's lands.

Land (the proposed land) adjoins a person's land if:

- The proposed land, not being a thoroughfare, has a common boundary with the person's land;
- The proposed land, or any part of it, is directly across from, the person's land; or
- The proposed land is that part of the thoroughfare that has a common boundary with the person's land.

The Local Government Act allows for prosecution of offences against these requirements of proximity disclosure and imposes severe penalties for breaches, including a maximum penalty of \$10,000 or two years imprisonment²⁸. In addition, a Council member may be disqualified from holding office if convicted of a local government offence²⁹.

The DLGSCI has published an Operational Guidelines document (number 20) "Disclosure of Financial Interests at Meetings" which should be reviewed by a Council members and employees.

6.1.4 Disclosure of impartiality interests

An impartiality interest is one which could, or could reasonably be perceived to, adversely affect the impartiality of a person having the interest³⁰. This includes an interest arising from kinship, friendship, being a member of a sporting, social or cultural association, volunteer activities, other work or engagement with the community, or otherwise.

Perceived impartiality is just as important as actual impartiality - when considering whether an interest should be disclosed, Council members and employees must carefully consider whether another person, acting reasonably, would believe there was an impartiality interest (even if there was not actually one). Two questions should be answered when considering this³¹:

- If you were to participate in assessment or decision making without disclosing, would you be comfortable if the public or your colleagues became aware of your association or connection with an individual or organisation?

²⁸ Section 5.65 *Local Government Act*

²⁹ DLGSCI Operational Guidelines document (number 20) "Disclosure of Financial Interests at Meetings"

³⁰ Regulation 34C *Local Government (Administration) Regulations 1996* and Regulation 11 *Local Government (Rules of Conduct) Regulations 2007*

³¹ Department of Local Government, Sport and Cultural Industries Operational Guidelines document "Disclosure of interests affecting impartiality"

- Do you think there would be a later criticism of perceived undisclosed partiality if you were not to disclose?

Perceived impartiality often arises from associations with people or organisations and a disclosure will be warranted if the relevant matter involves:

- A person's spouse, de facto spouse, sibling, parents, spouse's parents, children, employer or business partner; or
- A person has an affiliation with a group or association the subject of the relevant matter,

and a disclosure may be warranted if the relevant matter involves:

- A friend or adversary, depending on the circumstances and nature of the particular relationship and the Council member or employee's answers to the two questions stated above³².

Disclosure is warranted on any matters which require applications for approval, consent or a licence (eg. development applications, extensions or construction of facilities, requests for financial assistance, tenders, staff recruitment etc)³³.

A Councillor must disclose an impartiality interest immediately before the matter is discussed at Council, or by written notice to the CEO prior to the meeting. In its Operational Guidelines document "Disclosure of interests affecting impartiality", the DLGSCI suggests the disclosure should be made as follows:

"With regard to the matter in item XX, I disclose that I have an association with XXX. This association is ... (nature of the interest). As a consequence, there may be a perception that my impartiality on the matter may be affected, I declare that I will consider this matter on its merits and vote accordingly."

The impartiality disclosure must be noted in the minutes of the relevant meeting. The disclosure of an impartiality interest does not affect the right of the Council member to discuss or vote on a matter and the person can remain involved in Council debate. However, the disclosure allows Council to better manage the risk of any bias that could be perceived as a result of the interest than if no disclosure was made.

Employees must disclose an impartiality interest when providing advice or reports to be discussed at a Council or committee meeting. Employees should do so prior to undertaking any work on the relevant matter by either notice to the CEO in the event of written work, or at the commencement of a meeting if discussions are to be held regarding the matter³⁴. It may also be disclosed in writing in the body of the report. In its Operational Guidelines document

³² Department of Local Government, Sport and Cultural Industries Operational Guidelines document "Disclosure of interests affecting impartiality"

³³ Ibid

³⁴ Department of Local Government, Sport and Cultural Industries Operational Guidelines document "Disclosure of interests affecting impartiality"

“Disclosure of interests affecting impartiality”, the DLGSCI suggests the disclosure should be made as follows:

“With regard to the matter in item XX, I disclose that I have an association with XXX. This association is ... (nature of the interest). As a consequence, there may be a perception that my impartiality on the matter may be affected, I declare that I will consider this matter on its merits and provide advice accordingly.”

Failure by a Council member to disclose an impartiality interest is a minor breach which will be referred to the Local Government Standards Panel for determination. Failure by an employee to disclose will be a breach of the Employee’s Code of Conduct and dealt with by the CEO.

The DLGSCI has published an Operational Guidelines document “Disclosure of interests affecting impartiality” which should be reviewed by a Council members and employees.

6.1.5 Managing conflicts of interest

It is critical to the good governance of the City of Kalgoorlie-Boulder that Council members disclose an interest of any kind referred to above in order for the City of Kalgoorlie-Boulder to manage any risk to its impartiality or reputation that may result.

Council may manage a conflict of interest by employing the “6R” strategies of³⁵:

- Recording the interest in a register;
- Restricting the relevant Council member from involvement in the matter in which he or she has an interest (for example, restricting that person participating in debate and accessing information about the issue);
- Recruiting independent third parties to assist, oversee or review the integrity of Council’s decision-making process in relation to an issue;
- Removing that conflicted person from any involvement in the matter whatsoever; and/or
- Relinquishing the personal or private interests to remove the interest – such as relinquishing membership of an association.

Decisions made by Council in relation to how an interest is managed (for example, whether a Council member is able to participate, vote, remain present for discussions) should be reflected in the minutes of that meeting.

6.1.6 Related party disclosures

Council members and identified employees need to complete a Related Party Disclosure Declaration form at the end of each financial year, setting out related party relationships (where a person or entity has significant influence over the City of Kalgoorlie-Boulder, or the relevant Council member or employee). This enables the City of Kalgoorlie-Boulder to assess all transactions made with those persons or entities (including fines, rates payments,

³⁵ Western Australia State Government “Conflict of Interest: Guidelines for the WA Public Sector”

application fees, disposal of property and contracts for consultancy, goods or services) to ensure that there were made on an “arm’s length” basis.

6.1.7 Primary Returns and Annual Returns

To assist in identifying actual or potential conflicts of interest, the Local Government Act³⁶ requires Council members and certain employees to complete a Primary Return within three months of commencing office or employment. The Primary Return is a summary of a person’s financial interests and other relevant personal information at that time it is submitted. It includes:

- Any interest in any real property in the City of Kalgoorlie-Boulder;
- Sources of income for the relevant financial year;
- Beneficial interests in any trust;
- Corporate interests;
- Certain debts; and
- Disposition of real property.

By no later than 31 August each year, Council members and certain employees (including those in senior positions and those with delegated authority) must complete an Annual Return to disclose any changes to information submitted in the Primary Return or last Annual Return, including the disclosure of any new interests. The CEO will give written notice to each person to acknowledge having received the return.

Council members and employees should keep records throughout the year so that when the annual return is prepared and lodged by the, no interests disclosed during a meeting or other matters are missed from the annual return³⁷.

The CEO will keep a register of financial interests contained in the returns and will remove any details from that register once a person ceases to be required to lodge a return (eg. ceases to hold a delegation or ceases to be a Council member/employee) but will retain such records for at least five years.

6.1.8 Gifts to Council members and employees

A gift is a conferral of a financial benefit (including the transfer of property) made by one person in favour of another, unless adequate monetary (or equivalent) consideration is provided.

Acceptance of a gift that is connected with a person’s role as a Council member or employee may create a real or apparent conflict of interest, and could be seen as a bribe.

Council members and the CEO are required to disclose gifts, received in their official capacity, valued over \$300 or are two or more gifts with a cumulative value over \$300 where the gifts are received from the same donor in a 12-month period. Employees are required to disclose

³⁶ Section 5.75 *Local Government Act*

³⁷ Department of Local Government, Sport and Cultural Industries Operational Guidelines document (number 20) “Disclosure of Financial Interests at Meetings”

gifts valued between \$75 and \$300 or are two or more gifts with a cumulative value between \$75 and \$300. An employee is not to accept a gift that is valued at more than \$300³⁸.

The City of Kalgoorlie-Boulder maintains gift registers in accordance with the Local Government Act³⁹ and associated regulations, which are available online or at the administration offices.

6.1.9 Electoral gift register

In accordance with Local Government (Elections) Regulations 1997, the City of Kalgoorlie-Boulder maintains an electoral gifts register and must publish that on its website. Both candidates and donors must disclose information about any election-related gift with a value of \$200 or more that was given or promised within the six-month period prior to the election day.

Electoral gifts need to be disclosed either:

- Within 3 days of nomination if the gift is received, made or promised prior to the candidates' nomination, or
- Within 3 days of the gift being received, made or promised once the candidate has been nominated.

Electoral gift donors are closely associated persons under the Local Government Act. Prior to accepting any electoral gifts, candidates should consider how the acceptance may affect their ability to participate in future decision-making processes.

The CEO will remove from the register any gifts disclosed by a candidate who was not successful in being elected to Council but retain those records for at least two years following the election.

6.1.10 Training of Council members

Council members are required to complete a compulsory online training program prior to nominating as candidates for election to Council. This program provides candidates with a clearer understanding of their role within a local government.

The Local Government Act⁴⁰ provides that Council members must undertake a further training course within 12 months from their election to Council. Again, this Course provides further education to Councillors about their role in Council and the associated responsibilities.

Council must develop and pass by absolute majority a policy in relation to continuing professional development of Council members. This must be published on the City of Kalgoorlie-Boulder's website along with a report on the training completed by the Councillors in the relevant financial year.

6.1.11 Confidentiality

Councillors and employees commonly have access to or use confidential or sensitive material in the course of fulfilling their respective roles.

The City of Kalgoorlie-Boulder considers the preservation of such confidential material to be critical and Council members and employees are subject to the provisions of relevant Codes of Conduct that address the use of such confidential material. This includes a prohibition against Council members and employees using confidential material:

- To gain improper advantage for themselves or another person or entity in a way which is inconsistent with their obligation to act impartially in the public's interest; or
- To improperly cause harm, detriment or impairment to any person, body the Council or the City of Kalgoorlie-Boulder.

6.1.12 Qualified Privilege

Council members cannot be sued for defamation for what they say in Council chambers or Committee meetings, and in some circumstances, what they say outside of chambers including to media or the public provided that what they say is in good faith or without malice. This concept is referred to as "qualified privilege".

If something is untrue or the person making the statement is reckless as to the truth of it, or the statement is irrelevant to what is being discussed or debated, it could be malicious and expose the person to defamation proceedings.

6.2 Behavioural standards for Council members

Council members are required to comply with the Local Government Act, relevant regulations and the Councillor's Code of Conduct (as well as all other written laws).

6.2.1 Councillor's Code of Conduct

The City of Kalgoorlie-Boulder is required under the Local Government Act⁴¹ to adopt model code of conduct for Councillors from the Local Government (Model Code of Conduct) Regulations 2021. This applies to Council members, Committee members and candidates and the City of Kalgoorlie-Boulder will also extend this to apply to members of working groups. A current version of the Councillor's Code of Conduct is published on the City of Kalgoorlie-Boulder's website.

As is set out in the relevant regulations, the Councillor's Code of Conduct includes the following requirements (amongst other matters):

Disclosure of interests

A member who has an interest in any matter to be discussed at a Council or Committee meeting attended by the member must disclose the nature of the interest (being an interest that could, or could reasonably be perceived to, adversely affect the impartiality of the person having the interest; and includes an interest arising from kinship, friendship or membership of an association):

- In a written notice given to the CEO before the meeting; or
- At the meeting immediately before the matter is discussed.

6.3 Breach by a Councillor and complaints against a Councillor

6.3.1 Breach of the Councillor's Code of Conduct

The Councillor's Code of Conduct set out the process of handling a complaint regarding the behaviour of a Councillor in breach of the Councillor's Code of Conduct.

A person may make a complaint alleging a breach of a requirement set out in Division 3 of the Councillor's Code of Conduct (which sets out behavioural requirements for Councillors). A complaint must be made in writing to the authorised person within one month after the occurrence of the alleged breach.

The authorised person for receiving complaints is the CEO, who is able to delegate the responsibility of investigating and determining a complaint to an employee.

After considering a complaint, the CEO must (unless it dismisses the complaint, or it is withdrawn) make a finding as to whether the alleged breach has occurred. Before making a finding, the CEO must give the person to whom the complaint relates a reasonable opportunity to be heard.

A finding that the alleged breach has occurred must be based on evidence from which it may be concluded that it is more likely that the breach occurred than that it did not occur.

If the CEO makes a finding that the alleged breach has occurred, it may take no further action or prepare and implement a plan to address the behaviour (which requires consultation with that person). The plan may include requiring the person to:

- Engage in mediation;
- Undertake counselling; and/or
- Undertake training.

The CEO must also notify the complainant.

The CEO must dismiss a complaint if it is satisfied that the behaviour to which the complaint relates occurred at a council or committee meeting and either the:

- Behaviour was dealt with by the person presiding at the meeting; or
- The person responsible for the behaviour has taken remedial action in accordance with the Standing Orders Local Law.

A complainant may withdraw the complaint in writing at any time.

6.3.2 Breach of Rules of Conduct (minor breach)

If a Council member breaches Division 4 of the Code of Conduct, which sets out the Rules of Conduct, it will be considered a minor breach and be referred to the Local Government Standards Panel (“Panel”).

The Panel is a body established under Local Government Act⁴² to objectively and impartially determine allegations of a minor breach.

A person must make a complaint within six months of the alleged breach occurring and must follow the process outlined in Part 5 Division 9 of the Local Government Act. Once a complaint is received, a report is prepared for the Panel to consider and make a determination based on the information available to it (it cannot investigate the complaint).

The Panel will make a determination about whether or not the breach was committed, and if so, whether to issue sanctions against the Council member.

Sanction options include:

- Public censure;
- Public apology;
- Participating in training; and
- Requiring the Council member to pay the Council’s legal costs incurred in relation to the complaint.

6.3.3 Breach of Local Government Act (serious breach)

If a Council member, while acting in their capacity as a Council member commits a breach of a written law it is considered a serious breach. This includes (without limitation) when a Council member:

- Fails to declare an interest;
- Fails to submit an annual return;
- Fails to declare a gift;
- Fails to vote; or
- Breaches confidentiality regarding a complaint.

A complaint can be made by a person to the CEO of the DLGSCI within two years of the alleged breach taking place (unless it is a financial based complaint in which case there is no deadline).

⁴² Section 5.122 *Local Government Act*

The CEO or person authorised by the CEO will investigate the complaint and if it is found that the breach has been committed, sanctions under the Local Government Act apply (eg suspension, penalties of up to \$10,000 fine or two years imprisonment).

Complaints of serious misconduct such as corruption by a Council member are made to the Corruption and Crime Commission.

6.4 Behavioural standards for employees

6.4.1 Employees' Code of Conduct

The Employees' Code of Conduct sets the standard for all the City's employees for behaviour and conduct and as is required by the Local Government Act⁴³, addresses matters prescribed in Part 4A of the Local Government (Administration) Regulations 2021. This includes the following (amongst other matters):

- Behavioural standards including honesty and integrity requirements;
- Performance standards including appropriate communications and compliance with directions;
- Receiving gifts and keeping of records in relation to such gifts;
- Conflicts of interest;
- Use and disclosure of information;
- Record keeping requirements; and
- Use of resources and finances.

The Employee's Code of Conduct is reviewed regularly to ensure it meets community expectations, organisational standard and regulatory requirements. The current version of the Employee's Code of Conduct must be published on the City of Kalgoorlie-Boulder's website.

6.4.2 Policies and procedures

The City of Kalgoorlie-Boulder develops policies and procedures for staff to follow in the course of their employment.

6.4.3 Breach of Code of Conduct

The Employees' Code of Conduct sets out a process for reporting a breach of the Code of Conduct. This involves first discussing a suspected breach with the CEO or the Executive Manager, People and Culture to determine the appropriate reporting mechanism.

The complaint must be made in writing with the prescribed information and it will then be investigated by the CEO or a person with authority delegated to them by the CEO (or the Mayor, if the complaint is about the CEO). The investigation process requires both the complainant and employee alleged to have breached the Code being interviewed, as well as anyone else who may be able to assist, and records must be kept of the investigation.

⁴³ Section 5.51A *Local Government Act*

If the CEO can determine that there has been no breach or alternatively, refer to the matter to an external independent advisor for determination. If the matter is one of misconduct, the CEO must notify the appropriate authority (Corruption and Crime Commission in the event of serious misconduct or the Public Sector Commission in the case of minor misconduct).

7 PERFORMANCE MANAGEMENT AND ACCOUNTABILITY

The Local Government Act requires the City of Kalgoorlie-Boulder to comply with a number of requirements regarding reporting, financial management, strategic planning and audit processes. Compliance with the Local Government Act and further, the adoption of best practices in long term planning and financial management enables the City of Kalgoorlie-Boulder to achieve good financial governance. It facilitates accountability and transparency, ensures Council members are well-informed and aids effective and efficient decision-making against established short, medium and long term objectives.

This Part set outs the processes undertaken by the City of Kalgoorlie-Boulder to optimise its planning, management and review strategies.

7.1 Performance management

7.1.1 Quarterly reports

Each quarter, the CEO and administration team prepare detailed reports and provide financial records for review by the Audit and Risk Committee. This process ensures comprehensive information is provided to Council by the administration and allows accountability and transparency in relation to these matters.

7.1.2 Annual report

The City of Kalgoorlie-Boulder produces an annual report for each financial year as a statutory requirement.

The report reflects the major activities undertaken in the preceding year. As well as providing an overview of the City of Kalgoorlie-Boulder's operational and financial activities, the annual report also includes an Independent Auditor report.

7.1.3 Performance review of employees

The City of Kalgoorlie-Boulder is committed to continuous improvement and provides annual staff performance reviews to ensure that all staff understand their roles, the expectations around their performance and behaviour, are given objective feedback and have an opportunity to develop and access support. With the support of management levels and the People and Culture team, Key Performance Indicators are developed and reviewed for employees and behaviours are assessed and opportunities are given for self-reflection. Structures are also in place to equip managers and supervisors who undertake performance review meetings so that these meetings are effective, fair and consistent.

The City of Kalgoorlie-Boulder uses a performance management platform to support managers and staff in the performance review process, which requires management and staff to reflect upon:

- What we are here to do;
- The results we are getting;
- How we approach what we do;

- How well we are going; and
- How we could do things better.

7.2 Audit processes

7.2.1 Internal audit

The Local Government Act requires the City of Kalgoorlie-Boulder to establish an audit committee, which is known as the Audit and Risk Committee. See further information about this committee below under the heading “Audit and Risk Committee”.

The City of Kalgoorlie-Boulder is committed to continuous improvement of its internal audit mechanisms and recognises the importance of independent and objective review processes to ensure that best practices and accountability mechanisms are developed and implemented across the organisation.

The CEO is to undertake a review of the appropriateness and effectiveness of the financial management system and procedures of the local government regularly (and not less than once in every 3 financial years) and report to the local government the results of those reviews.

7.2.2 External audit

The Office of the Auditor General appoints an auditor to conduct an annual audit of financial statements and prepare an audit report for the Council.

Part 7 of the Local Government Act and the Local Government (Audit) Regulations 1996 require the City of Kalgoorlie-Boulder to:

- Do everything in its power to assist the auditor to conduct an audit and carry out other duties under the Act;
- Ensure that audits are conducted successfully and expeditiously;
- Meet with its auditor at least once a year;
- Examine the report of the auditor and determine if any matters raised require action, and therefore ensure such action is taken;
- Prepare a report of any actions taken based on the auditor’s report and forward a copy of that report to the Minister within the prescribed timeframe.

The City of Kalgoorlie-Boulder must submit to its auditor the balanced accounts and annual financial report by no later than 30 September each year.

7.2.3 Annual Compliance Audit Return

It is a requirement under the Local Government Act that the City of Kalgoorlie-Boulder conducts an annual audit of compliance with the relevant statutory requirements in areas including local laws, tenders, meeting processes, disclosures and financial management.

A compliance audit return is prepared and adopted by Council, then submitted annually to the DLGSCI.

7.3 Audit and Risk Committee

7.3.1 Composition

The audit committee is established pursuant to the Local Government Act⁴⁴ and is comprised of eight Councillors and two independent members. An absolute majority resolution of Council is required to establish the committee.

The only authority that can be delegated to this committee is audit functions of the Council and the committee cannot then delegate any of its responsibilities to a person or other committee.

7.3.2 Audit and Risk Committee

The role of the Audit and Risk Committee is to oversee and advise Council on matters of financial reporting, internal control structure, risk management systems, legislative compliance, ethical accountability and internal and external audit functions⁴⁵. To ensure independence and meet good governance practices of transparency and accountability, the CEO and other administration staff are not members of the committee but may report to the committee.

The Audit and Risk Committee is to:

 - its functions in relation to audits;
 - the development of a process to select and appoint an auditor;
 - matters to be audited;
 - scope of audits;

The auditor may make recommendations regarding matters such as⁴⁶:

- Assessment of accounting procedures;

⁴⁴ Section 7.1A of the *Local Government Act 1995 (WA)*

⁴⁵ Department of Local Government, Sport and Cultural Industries Local Government Operational Guidelines (Number 9): "Audit in Local Government"

- Performance assessments as to the efficiency and effectiveness of operations;
- Internal audit processes;
- Outcomes of the external audit prior to issue of management and audit reports; and
- Changes to accounting standards and legislation and impact of that on the City of Kalgoorlie-Boulder.

Where matters of significance are identified by the City of Kalgoorlie’s auditor, the City of Kalgoorlie-Boulder must take appropriate action and must prepare a report outlining the action it intends to take and must provide a copy of that report to the Minister within three months of an auditor’s report being received and publish it on its website.

The DLGSCI has published Local Government Operational Guidelines document (Number 9) regarding “Audit in Local Government” which should be reviewed by Council members and the executive leadership team.

7.4 External Reporting Requirements

In addition to the DLGSCI, the City of Kalgoorlie-Boulder may have reporting obligations to external authorities including:

- Public Sector Commission;
- Corruption and Crime Commission;
- Equal Opportunity Commission;

7.5.2 Complaints about administrative functions or employees

These systems are also integral to stakeholder relationships: the resolution of complaints from constituents is necessary for maintaining the community's trust in the Council as well as between Council and the administration.

The City of Kalgoorlie-Boulder has developed its Complaints Handling Policy to ensure transparency and fairness and provide certainty to stakeholders including employees and the public regarding how a complaint is handled.

A complaint of minor misconduct of an employee can be made to the Public Sector Commission.

Complaints of serious misconduct by an employee can be made to the Corruption and Crime Commission.

The Council is responsible for the management of the CEO's performance. As is required by the Local Government Act, the City of Kalgoorlie-Boulder has adopted the Model CEO Standards outlined in the Local Government (Administration) Amendment Regulations 2021.

The Model CEO Standards provide a framework for local governments to select a Chief Executive Officer in accordance with the principles of merit, probity, equity and transparency.
